UC Berkeley's **Haas School of Business** invites you to be part of an innovative learning experience this Fall. This Speaker Series class explores **why and how microfinance operations have grown** to provide financial services to poor and low-income communities on a sustainable basis. Professor Sean Foote provides **an excellent introduction to the field of Microfinance** and brings together **advice and best practices from a variety of successful practitioners** around the world, creating a forum to learn about current challenges, debates, and innovations.

### Featured List of Speakers

- Kurt Koenigsfest – *CEO, BancoSol*
- Maya Chorengal – *Managing Director, Elevar Equity*
- Kendall Mau – *CFO & COO, Prisma Microfinance*
- Premal Shah – *President, KIVA*
- Tracey Pettingill Turner – *Founder, Silicon Valley Microfinance Network and Microplace*
- More to come...

### More About the Professor...

Professor Foote is a professional faculty at the Haas School of Business, where he teaches classes in Venture Capital, Private Equity and Microfinance. He also has taught at the Ross School of Business, Michigan, Darden School of Business, Virginia and the Wharton School of Business. Mr. Foote received his undergraduate degree in Electrical Engineering from the University of Missouri (1988), and his MBA from the Darden School of Business (1993). He is a partner at Labrador Ventures for over 9 years. He is also active in microfinance, serving on the Boards of the Silicon Valley Microfinance Network and Freedom from Hunger.
